HART Unitized First Aid Kit Refills

Safety: Unitized boxes have clearly written and illustrated instructions, ingredient listing, and dosage recommendations on all HART unitized boxes.

Quality: Each unit is produced to exacting specifications and checked for quality throughout the manufacturing and packaging process.

Easy to Inventory: Each unitized item is packed in a color-coded box. Each unit is then individually sealed in cellophane to instantly let you know when it has been opened and used. Inventory is easier, so when an accident occurs or OSHA inspects, you're sure to be ready with fully equipped first aid kits.

Extra Large Adhesive Bandage

Protects wounds from dirt and germs.

- Sterile; long-lasting adhesive
- 2" x 4-1/2", sheer strips, 6 per unit
- Single width unit box
